### **ACTIVITY REPORT**

Workshop	
Nature Of Activity:	Workshop on 3D printing Technology
Program Name:	BTECH ME3D/RO/AE/BM/BT
Name of the Guest/Speaker	Mr. Yogesh Gandhi, CEO, USI3DT
Semester	All semesters
Date	08 <sup>th</sup> February 2024
Venue	241, Seminar Hall, SOE, ULC 2, ADYPU
Time	10.00 am
Number of Students attended	160
Faculty Coordinator	Dr. Ipsita Swain, Dr. Nikhil Mane, Prof. Sneha Shirke, Prof. Yashodhan Sonawane

### **Objectives of the Activity**

This workshop aims to provide participants with a comprehensive understanding of 3D printing technologies, allowing you to explore the fascinating world of additive manufacturing firsthand.

Students will acquire following knowledge -

- **Introduction to 3D Printing:** Gain insights into the fundamentals of 3D printing technologies, including various printing techniques and materials.
- **Hands-on Session:** Get hands-on experience with state-of-the-art 3D printers. Learn how to design and print your own 3D objects under the guidance of experienced professionals.
- **Applications of 3D Printing:** Discover the diverse applications of 3D printing across various industries, from prototyping to custom product manufacturing.

### **Execution of Activity:**

- The anchoring was done by Prof Sneha Shirke. Dr. Ipsita Swain felicitate the guest speaker Mr. Gandhi.
- First Half of the workshop started with Introduction to 3D Printing with ppt presentation.

- Second half was the hands-on Session with 3D printer also various types of printed parts were showcased.
- At the end we had Q&A Session.

### **Outcomes**

Students gained knowledge of 3D printing technologies also hands on experience with 3D printer.

### **Glimpses of the Activity**

# Seminar and Hands-On Experience on

# **3D PRINTING TECHNOLOGY**

# 8th and 9th February 2024

### **PROGRAM FLOW**

## Day 1: 8th February 2024

Venue: Auditorium 211, 2<sup>nd</sup> Floor, ULC 2.0

School of Engineering and School of Architecture

10.00 AM - 12.30 PM: Expert Talk on 3D Printing Technology

02.30 PM - 04.30 PM: Hands-On Experience

### Day 2: 9th February 2024

**Venue:** Library, 2<sup>nd</sup> Floor, DY Patil Dental School

DY Patil Dental School

10.00 AM - 12.30 PM: Expert Talk on 3D Printing Technology

02.30 PM - 04.30 PM: Hands-On Experience

### **RESOURCE PERSON**

**Dr. Yogesh Gandhi** CEO, USI3DT

In Collaboration With: SCHOOL OF ENGINEER

CENTRE OF EXCELLENCE - 3D PRINTING

SCHOOL OF ENGINEERING, AJEENKYA DY PATIL UNIVERSITY, CHARHOLI, VIA LOHEGAON, PUNE, MAHARASHTRA

Dr. Gandhi interacting with the students.

Dr. Gandhi Addressing the students

Students listening attentively in the session.

**Dr. Biswajeet Champaty** 

Dean School of Engineering Ajeenkya DY Patil University, Pune
