

ACTIVITY REPORT

Festival Celebration	
Nature Of Activity:	Festival Celebration
Program Name:	Vasant Utsav
Semester	Even Term (All Semester)
Date	14th February, 2024
Venue	Mini Auditorium
Coordinator	Prof. Prini Rastogi Dr. Ankita Aggarwal
No. of Students Participated	43

Objectives of the Activity

- On February 14th, 2024, students of ADYPU came together and celebrated Basant Panchami.
- Basant Panchami is celebrated as the birthday of the Goddess Saraswati (the goddess of knowledge, wisdom, learning, and art). Vasant Panchami means to honor Goddess Saraswati, the deity of knowledge, wisdom, arts, and learning.
- The festival holds cultural, religious, and social significance as it symbolizes the rejuvenation of nature and the beginning of new beginnings.
- Devotees adorn themselves and their surroundings in vibrant yellow colors, representing prosperity.

Execution of Activity:

- It was a lively event where students from different BTech, BCA, and MCA courses came together to celebrate this festival.
- To celebrate the Basant Panchami festivities, students and faculty organized a range of technical/cultural activities, including dance performances, live instrument playing, drawing painting competitions, and extempore competitions.

- The celebration was an excellent opportunity for students to come together, learn about different cultures, and enjoy the spirit of the festival. It showcased the diversity and inclusivity of the student community and highlighted the importance of celebrating festivals. Such celebrations go a long way in promoting communal harmony and unity among people of different backgrounds.

Outcomes

The program was successfully completed in the end with a smile of joy on everyone's face
