

## ACTIVITY REPORT

<b>Awareness about World Cancer Day, Lohegaon, Pune</b>	
Nature Of Activity:	Outreach Activity
Program Name:	BTECH
Semester	ALL
Date	<b>4<sup>th</sup> February, 2024</b>
Venue	<b>Ajeenkya Dy Patil University, Lohegaon, Pune</b>
Time	10:00 am
Organized by	IEEE ADYPU Student Branch
Number of Students attended	200
Committee Head	Dr. Ranjit Kumar

### Objectives of the Activity

- To create awareness about cancer, its types and initiatives undertaken by students and educational institutions to combat cancer and support those affected by the disease.
- Through active participation in awareness activities, students gain a better understanding of cancer-related issues, including risk factors, prevention measures, and available support services.

### Execution of Activity:

The event was executed with precision and enthusiasm, with carefully planned activities that aimed to raise awareness about the significance of cancer and people's health. The execution of the activity involved the following key elements:

**Skit Performances:** A thought-provoking skit was performed, showcasing the importance of cancer and the adverse effects of unhealthy habits. The skit was not only entertaining but also carried a powerful message to inspire change and promote healthy habits and decisions.

**Donation Collection:** Donations were collected during the event to support cancer patients, with around 7,000 rupees collected throughout the event, and every person who attended donated.

**Venue:** The entire event started from Ajeenkya Dy Patil University and proceeded to Porwal Road, where the skit was performed twice at different places.

### Outcomes

**Increased Awareness:** The awareness skits effectively conveyed the message of the importance of health and safety. The public present gained valuable insights into the challenges faced by cancer patients and the need for collective efforts to address them.

**Community Engagement:** The event fostered a sense of community engagement, bringing together students and the public to collectively celebrate World Cancer Day. It served as a reminder that positive change requires the active involvement of the entire community.

In conclusion, the World Cancer Day Celebration was a well-executed and impactful event. The organizing committee's effort, combined with the active participation of the students, contributed to spreading awareness, collecting donations (around 7,000 rupees), and fostering a supportive environment for cancer.
